Yield 5 ton/ha (30hl/ha)

12% Merlot and 3% Petit Verdot incl.

These yields equate to less than 1kg of fruit per vine, arguably the threshold for the production of GREAT wine!

VINTAGE CONDITIONS

We had a late 2010 winter with a little below average rainfall, but cold enough in May to ensure even bud-break in spring. The growing season was cool with some regular rainfall, which made up for the drier winter. Flowering was good and although December was very windy (most in 42 years), we had no damage and a normal healthy crop of very good quality. The harvest period was very hot and dry, but we managed to get all the grapes to the cellar in the cool mornings at optimum ripeness.

Harvest date: 2 / 3 / 11 – 10 / 3 / 11 @ 23.7 – 26.3° Balling.

PRODUCTION

100% destemming and crushing by hand directly into 2 ton open top fermentation tanks. Spontaneous natural yeast fermentation @ 30°C with the cap of skins punched down 2 – 3 times a day for 15 days. Wine drained directly to barrels, together with single pressing from traditional basket press for malolactic fermentation. 40% new French oak was used from high quality coopers. Time in barrels 23 months with several rackings to gradually clarify the wine and assist maturation. Bottled unfiltered by hand on the property.

Bottling date: 26 / 02 / 13

Production: 594 x 12 x 750ml

TASTING NOTES

Deep, dark red colour. Intense rich, ripe cassis and blackberry nose with lovely spicy, lead pencil and creamy fynbos aromas. Rich, ripe fruit on palate with layers of spice and creamy fynbos. Great intensity with prominent fine tannins that carry the wine to a long finish. Great maturation potential. Drink 2017 to 2025. Delicious with most red meat dishes. Butterfly leg of lamb on the braai with wild rosemary a personal favorite.
