VINTAGE CONDITIONS

An ideal dry, moderately hot summer. The harvest commenced in perfect conditions with ripe, healthy grapes producing big, but well-balanced wines.

Harvest date : 14 / 2 / 01 - 2 / 3 / 01

PRODUCTION

Handpicking into 20 kg lugboxes. 100% destemming and gentle crushing directly into open top fermenters. Spontaneous natural yeast fermentation @ max. temp. 31°C - 33°C. Time on skins 9 - 11 days, with cap of skins punched down (pigeage) 1 – 4 times a day. Wine drained directly to barrels together with single pressing from traditional basket press.

All our red wines undergo malolactic fermentation in the barrel. This helps to integrate the new oak and fix colour and flavour compounds. Mostly new French oak used. Time in barrel 21 months, which included several rackings to gradually clarify the wine and assist maturation.

This wine was bottled by hand, unfiltered and unfiltered, on the property. Bottling date : 28 / 1 / 03.

Production : 1427 bottles; 396 magnums

TASTING NOTES

Impressive deep red / purple colour. Lush blackberry and spicy fruitcake aromas. Dense tannins and intense fruit provide a rich, supple, almost thick texture. Needs time to show hidden complexity. Long finish. Probably best between 2006 and 2015. Ideal with rich, roasted or grilled red meat dishes.
