

## **COLLAGE 1995**

De Trafford Collage 1995 is a blend of Cabernet Sauvignon and Merlot in approx. equal portions. It is the "second wine" of the cellar, the best barrels being reserved for the Cabernet Sauvignon and Merlot labels. The wine is still carefully crafted in the same classic "vin de garde" style as the flagship labels and although not quite as concentrated, it should develop well in the bottle over the next 3 to 7 years.

### **PRODUCTION**

### **TASTING NOTES**

A deep purple tinted colour. One of the few wines from this boutique cellar that shows a slight minty character, which combines well with the subtle blackcurrant fruit and smokey, nutty aromas. This elegant wine with a soft dry finish combines well with most rich meat and pasta dishes.
